

**Sweet Azucar! Latin Dance** is putting the '**STREET**' back into **SALSA** right here in **WEST AUCKLAND!**

This is not ballroom.

This is Street Salsa.

All you need is a desire to dance and have fun. No previous experience needed.

**Street Salsa Beginners Course starts Monday 29 July 8-9pm (\$10 per class).**

Already have a Salsa addiction or think you might acquire one? Don't worry, Sweet Azucar! can quench

your thirst with regular Turn Patterns classes (with moves straight from the US!), workshops and performance opportunities.

And in answer to **popular** demand... our new fast track **Bachata** course will be run during the school holidays! Bachata is danced to a slower beat and is a relaxed fun social dance popular at Latin clubs world wide.

**Bachata Basics and Beyond Course** will be run on the following days and will cost a total of \$50 for four sessions:

Monday 15 July: 8-10pm

Thursday 18 July: 8.30-10pm

Monday 22 July: 8-10pm

Thursday 25 July: 8.30-10pm

**All our classes are held at the Kelston Community Centre, cnr Awaroa and Great North Roads, Kelston.**
